FEB 16 1940

THIS AGREEMENT, made in duplicate on _____, 19____, by and between the
Standard Seed Farms Company, Seed Growers of Stockton, California, hereinafter called the Seller, and
_____ hereinafter called the Purchaser.

WITNESSETH: 1. Seller agrees to sell and deliver and purchaser agrees to accept and pay for the varieties of seeds in the amounts, at the prices as set forth below, and subject to the terms and conditions herein provided.

2. Seller agrees to plant, or cause to be planted, during the season of 19**40**, an acreage of land which will produce, under normal conditions, an amount of seed of the varieties herein named which will be sufficient to enable the Seller to deliver the quantities of the seeds herein contracted for; and the Seller agrees to deliver as soon as possible after harvest, such seeds in good merchantable condition, as herein defined, F.O.B. growing station, containers extra at cost, and not returnable. The term "in good merchantable condition" is defined as seeds properly cleaned for seeding purposes, approximately free from foreign seeds distinguishable by their appearance and of a germination equal to the fair average germination of the crop of the current year.

3. In case of partial or total failure of any or all crops planted for the purpose of producing the varieties of seeds herein named, or, in case of damage to any seed through fire, accident or other casualty beyond Seller's control, the Seller shall be obligated to deliver, if at all, proportional quantities only.

4. Purchaser shall make payment for seeds delivered, by a trade acceptance due and payable 60 days from date of shipment, or by cash within 30 days from date of shipment, less a discount of 1½ %.

If, at any time, the financial condition of the Purchaser becomes unsatisfactory to the Seller, the Purchaser agrees, upon receipt of written notice to that effect, and upon demand of the Seller, to pay for the seeds in advance of shipment, less a cash discount of 1½ %, and if such payment is not made within ten (10) days from the receipt of such demand for payment, this agreement shall thereupon be deemed to be breached by the Purchaser.

5. Except as herein otherwise expressly provided, the Seller gives no undertaking or warranty, express or implied, as to description, quality, productiveness, or any other matter of any seeds sold by it and will not be in any way responsible for the crop.

6. Purchaser's claims for shortages of deliveries must be made to Seller immediately on receipt of shipment and all germination tests must be made and reported in writing (including telegram) by Purchaser to Seller within 15 days after receipt of shipment.

IN WITNESS WHEREOF, the parties have hereunto set their hands on the day and year first above written.
